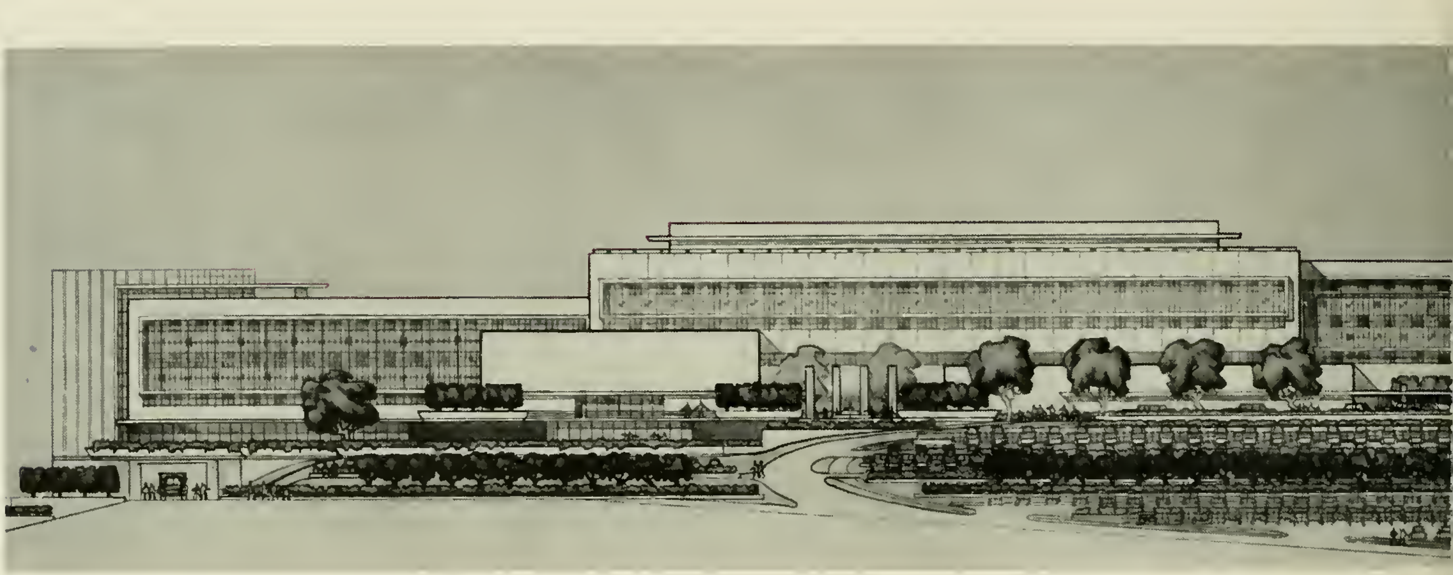
WE PROUDLY DEDICATE THIS TO THE UNIVERSITY



Thirty-two years ago, when Dean Edward J. Van Liere became a member of the staff of West Virginia University's School of Medicine, faculty and students were already envisioning a medical center which would provide the state with the most expertly trained members of the medical profession in its history.

Today that dream is fast becoming a reality—a reality far beyond the greatest expectations of those first doctors and medical students.

The first concrete action toward the construction of the state's first four-year medical center was taken in 1951. Governor Okey L. Patteson selected a 145-acre plot of ground adjoining Monongalia County Hospital as the site for the center. Ground-breaking ceremonies took place in December of that same year.

The heating plant is now under construction. Buildings still to follow are the medical school proper, which will be housed in a Basic Sciences Building, and a connecting 500-bed training hospital. Dormitories for nurses, medical students and other buildings will be added in a few years' time.

The Medical Center faculty and staff of 80-100 members will train students in the fields of medicine, dentistry, pharmacy, and nursing. The average number of students in each class of each division will range from 50-65. Present plans provide for graduation of the first medical class in 1960.

It is with a great deal of pride and faith in the future of the medical profession in West Virginia that we dedicate this 1954 MONTICOLA to the new West Virginia University Medical Center.

MEDICAL CENTER

Work progresses rapidly on the heating plant for the Medical Center.

The Medical School float in the annual Homecoming parade.

PRESIDENT OF WEST VIRGINIA UNIVERSITY

A MESSAGE FROM THE PRESIDENT

To the Class of 1954:

As you leave the campus, I hope that you will resolve to pay your debt to the people of West Virginia who made possible the education you have received. The best form of repayment is your ready assumption of the responsibilities of citizenship in a democratic society. Only a favored few of the world's millions have had your opportunities. May you, by actions as well as words, assure that equal or greater opportunities will be open to those who follow you. Only in this manner can the state and nation continue the intellectual progress which is the pride of our classless society.

Our best wishes go with you.

IN MEMORIAM

DR. CHARLES THOMPSON NEFF, JR.

Dr. Charles Thompson Neff Jr., vice-president and comptroller of West Virginia University, died on October 27, 1953, of a heart attack. His death was a blow to students and faculty alike. Dr. Irvin Stewart in his eulogy stated Dr. Neff's merits: "In the passing of Ted Neff, West Virginia University has lost the services of a devoted officer who will be sorely missed. In addition to being secretary of the Board of Governors for more than a quarter of a century, he had served as comptroller and vice-president for years, as well as acting president of the University in 1945 and 1946."

"His love for the University was deep. His knowledge of operations was unsurpassed; and his wise counsel, genial friendship, and gentle sense of humor were invaluable. No single person can fill the role which he carried so capably. The University has lost an irreplacable officer and the President of the University has lost a close friend and wise counselor."

Born in Piedmont, Dr. Neff graduated from West Virginia in 1921, majoring in chemistry. While in college he was a member of Phi Kappa Sigma social fraternity and a member of Mountain, ranking men's honorary. He served as principal of Beryl High School in his native Mineral County and superintendent of Piedmont schools until 1927 when he became secretary of the University Board of Governors. In 1934, he became University comptroller, a job he continued to hold even after becoming vice-president of West Virginia in 1946. Waynesburg College awarded him a richly deserved honorary doctor of laws degree in 1948.

Sometimes men become pillars, but even pillars eventually fall. Dr. Neff died, but he is not dead. A man is dead only when he is forgotten. Ted Neff will live as long as West Virginia University—the school for which he did so much.

EXECUTIVE COUNCIL

The Executive Council consists of the President and Vice-President of the Student Body and the president and vice-presidents of the senior, junior, sophomore, and freshman classes. It has the power to serve as an advisory board to the President of the Student Body; create such class organizations as it deems necessary; and submit for approval to the Student Legislature the various class functions and special programs.

It was mainly through the efforts of the 1953-54 Executive Council and this year's student government that work on a temporary committee for investigation of the possibilities of returning the MONTICOLA to the campus, and the subsequent publication of this yearbook, was possible.

The University Student Court is composed of seven members of the Student Body not members of the Legislature, the Summit of Mountain, ranking men's honorary, Emperor of Sphinx, senior men's honorary, the President of Associated Women Students, and the President of Mortar Board, senior women's honorary. Three additional members were appointed by the President of the Student Body, and the Chief Justice, Richard Ford, was elected by the Student Court from its own membership.

It is within the power of the Student Court to determine offenses and penalties of Freshman Rules, propose corrections in the content of Legislative amendments to the student Constitution, and render judgment on any other issues presented to it by the Legislative or Executive Council.

After a lapse of six years, the Student Body of West Virginia University has once again published the MONTICOLA, but not without more than its share of difficulties.

The 1954 staff was entirely inexperienced, but it was through their work and effort that a yearbook such as this publication was possible. Overcoming supposedly insurmountable obstacles, no working room, one typewriter, no phone, no layout, no criteria, they managed to publish a college yearbook in the unbelievingly short period of two months which will stand as a record among all college yearbooks. It was done only through a strict organizational set-up and split-second timing.

However, but for the tireless efforts of the more active members of the staff, the task would have been inconceivable. It is only right that these members should receive the recognition which they deserve. Among the more active were Carolyn Hathaway, Bill Green, Bob Shatzer, Ed Galligan, Yvonne Gump, and Kathryn Forstall. But a yearbook is not a yearbook without pictures, and we owe them to Dick Phillips who produced a record amount of prints in 14 days.

We wish to express our appreciation to Ralph Langreck and Joe Ledbetter of the Benson Printing Company for their advice and cooperation, Dr. Patrick W. Gainer, faculty advisor, Mr. Glenn Bengston, and Mr. John Luchok of the University Printing Service for their assistance in publishing this year's MONTICOLA.

DAILY ATHENAEUM

With tradition as its background, occasion as a determinator and thought as the modifier of its policy, the Daily Athenaeum, official student newspaper, strives to serve the University community with competent and complete coverage of campus, state, and national news.

The growth of the University is reflected in the 67-year history of the Athenaeum. Older than a majority of the state's journals, the newspaper has not always been a daily or the University's own publication.

In November 1887, when U. S. Grant Pitzer became the first Athenaeum editor, it was a private enterprise and a once-every-other week proposition. The early Athenaeum was more of a magazine than a newspaper. From this beginning, it has developed into one of the nation's leading college dailies. The paper was merged with the journalism department in 1920.

Today, the Daily Athenaeum is a tabloid size, five column, four to sixteen page paper, with a circulation of more than 5,000. The policy of the paper, though it is a laboratory project of the School of Journalism, is determined solely by the three major staff heads—the editor-in-chief, business manager, and managing editor, who are appointed by the University Publications committee. Copy for the paper is checked for error, but not censored by a faculty supervisor.

Daily Athenaeum offices are located in Martin Hall, new home of the School of Journalism. Organizations and honoraries maintained by the School are: Theta Sigma Phi, national professional women's honorary, Journaliers, Journalism men's organization, the Press Club and Kappa Tau Alpha, national scholastic journalism honorary.

ALPHA EPSILON DELTA

Alpha Epsilon Delta is a national honor society for premedical students. Founded at the University of Alabama on April 28, 1926, the local chapter, West Virginia Alpha, was established in 1931. The obect of the Society is to encourage excellence in pre-medical scholarship. Chapter activities include an annual banquet, motion pictures on a medical theme, forums for pre-medical students and visits to various state hospitals. Each year a plaque is presented to the freshman pre-medical student maintaining the highest average for his first semester's work.

Faculty advisor is Dr. L. R. Gribble, pre-medical advisor and national president of the Society.

Alpha Kappa Psi is the oldest professional commerce fraternity. Established at New York University in 1904, it has grown to its present strength of eighty chapters in colleges and universities throughout the nation. Beta Rho Chapter at West Virginia University was established in 1943.

The purpose of Alpha Kappa Psi is to promote the interests of commerce and for the mutual helpfulness of its members both while in college and later in professional life. Activities of the fraternity include speakers on economics and business for students and the general public, industrial tours, research projects, services to the school, as well as social functions for the members.

The West Virginia chapter prepares the Placement Booklet of College of Commerce Graduating Seniors, which is sent to over 150 firms throughout the nation. Among the chapters West Virginia maintains the highest scholarship membership requirements. On the basis of an efficiency contest by which the chapters are rated, West Virginia has maintained a perfect record for the past three years.

Alpha Tau Alpha is a National Professional Honorary Agricultural Education Fraternity. It was founded in 1921 at the University of Illinois and is composed of young men in training to teach Vocational Agriculture. It was established at West Virginia University in 1950.

The purposes and ideals of the fraternity are to develop a true professional spirit in the teaching of agriculture, to help train teachers of agriculture who shall be rural leaders in their communities, and to foster a fraternal spirit among students in teacher-training for Vocational Agriculture.

Alpha Tau Alpha sponsors an annual banquet, a spring and fall outing, speakers on professional topics, training in parliamentary procedure, practice in conducting meetings, and has contributed $150.00 to the State FFA and FHA Youth Camp at Ripley, West Virginia. Besides providing a host of worthy experiences, the association and acquaintances made in ATA can never be forgotten.

ALPHA TAU ALPHA

ALPHA ZETA

The West Virginia Chapter of the Fraternity of Alpha Zeta was installed on our campus on May 23, 1922. Although many people call it an honorary fraternity, Alpha Zeta was established neither as an honorary society nor as a social fraternity but as a professional fraternity in whose membership would be combined the qualities of high scholarship, fine fellowship, and sound character. These are the vital qualities of real leadership and it was the actual and potential leadership in the field of agriculture for which the Fraternity was established to encourage and develop. By adhering to principals based on these vital qualities, Alpha Zeta has done a great deal towards developing a higher standard of leadership in the field of agriculture.

In June, 1948, Rhododendron, Junior woman's honorary, became affiliated with Chimes, a national honorary for junior women who had been shown loyalty to their University by giving their service and leadership to the advancement of its interests and welfare.

Chimes members are chosen each spring and pledged during Link Day services on the Library Terrace. They have had as their main project this year the orientation of transfer students.

CHIMES

DOLPHIN

The purpose of Dolphin Swimming Honorary is to stimulate and maintain interest in swimming. Tryouts are held each year and members are taken in on their swimming ability. Dolphin meets each week with a business meeting followed by a swimming period. During the swimming period, members learn new stunts and practice the various synchronized strokes.

Dolphin's major event during the year is their annual swimming pageant. Previous shows have been "Mardi Gras," "Cruise," and "Season in Swimtime." This year's pageant will center around a theme of "New York, New York.

COUNCIL OF FRATERNITY PRESIDENTS

"Rush Week" is one of the many activities sponsored by the Council of Fraternity Presidents. During this time, entering freshmen are given a helping hand by fraternity men.

"United in the belief that among social fraternities there are common problems beyond the scope of individual action, that where there is no unity there is inevitable dissension, that absolute freedom from control provides no freedom but chaos, that evils ascribed to the fraternity system are within control of the system itself, that the fullest benefits from the fraternity system can be achieved only by common action on a constructive program," the presidents of the fraternities of West Virginia University formed the Council of Fraternity Presidents in 1945.

Some of the activities of the Council include the sponsorship of the Rush Week activities where the problems of the individual organizations are discussed, and the encouraging of higher scholastic standings by the working with the office of Student Affairs. By a competitive manner, the fraternity with the highest scholastic standing is recognized and rewarded. The Men's Pan is directed by the Council, and it is one of the social highlights on the campus each year. At the conclusion of the basketball season, the Council presents blankets to the seniors on the team, while among the fraternities an athletic program of intramural sports has been established. Contributions to the the Community Chest Drive and volunteering for service in other areas aid in the successes of efforts along these lines. Mountaineer Day is sponsored by the Council which enlivens our school spirit.

PAN-HELLENIC COUNCIL

Janet Paulus, Barbara Shouldis, Catherine Hoff, Jeanne Ellis.

The Panhellenic Council is composed of an outstanding junior and senior representative from each social sorority on the campus of West Virginia University. The Council is the cooperating organization established to maintain fraternity life and interfraternity relationships on a high plane. Its aim is to cooperate with University officials in an effort to continue high scholastic and social standards throughout the entire campus and to be a forum for the discussion of questions of interest to the college and to the fraternity groups.

Each year the Council sponsors a foster child who, for the past two years, has been a German girl, Lea Kivitt. In conjunction with the Council of Fraternity Presidents, the Panhellenic Council participates in the Fraternity-Sorority Community Chest Fund. As an incentive to higher scholastic standing among the sororities, the Council offers annually a trophy to that sorority achieving the highest over-all average.

The social activities of the Council include an annual Panhellenic dance, exchange dinners among the various sorority houses, and receptions and informal teas at irregular intervals throughout the year.

In recent years a Junior Panhellenic Council has been established composed of representatives of the pledge classes of each sorority. While this Junior Council cooperates with the regular Council in many ways, its chief advantage is to establish friendships among the pledge classes of the various sororities.

ETA KAPPA NU

Eta Kappa Nu, founded fifty years ago on the campus of the University of Illinois, honors outstanding students in Electrical Engineering. Members are chosen from the Junior and Senior Classes, not only on the basis of scholarship, but also on the qualities of character shown by the student.

Beta Rho Chapter of Eta Kappa Nu was founded at West Virginia University in 1947. Since that time this chapter has honored a total of 169 students, faculty, and graduates with membership in Eta Kappa Nu.

Beta Rho cooperates with other engineering organizations in sponsoring the annual Engineering Show and other activities.

Each year the chapter presents an award to the sophomore in Electrical Engineering who had the highest scholastic standing during his freshman year. This year John S. Hill was honored with the award. Eta Kappa Nu also maintains a loan fund which is available to all engineering students.

Its membership is chosen from the men of the Junior and Senior classes who have demonstrated their willingness and ability to aid the University. In the furtherance of their program, the members of Fi Batar enforce freshmen rules, sponsor thuses and parades, and present an annual minstrel.

The Forestry Club was organized in the fall of 1935. Its objectives are to foster the traditional spirit of fellowship of professional foresters among the students of the Division of Forestry, to increase their understanding of the forestry profession, to give them the opportunity to meet successful practicing foresters, and to extend the prestige and influence of the Division of Forestry throughout the State. The club arranges the programs for the weekly Forestry Convocations; holds an annual Forester's Banquet, the Woodchoppers' Ball, and wiener roasts and other outings; publishes an annual yearbook, "The Cruiser," and produces other publications occasionally for public information.

FORESTRY CLUB

HOME EC CLUB

Composed of Home Economics students, the Home Economics Club strives to promote friendly relations between students and faculty. Through it, the women gain professional attitudes and experiences which enable them to participate actively in the field of Home Economics on both the national and local levels after graduation. The Club is affiliated with the American Home Economics Association, a national organization.

KAPPA DELTA PI

Kappa Delta Pi is a national honor society in education whose purpose is to encourage high professional, intellectual, and personal standards, and to recognize outstanding contributions in the field of education. Membership is conditional upon high scholarship and desirable personal and professional qualities.

Alpha Upsilon Chapter of Kappa Delta Pi was founded at West Virginia University on July 21, 1927. Monthly meetings are conducted during which members discuss questions pertinent to education. This year Alpha Upsilon entertained 200 delegates to the State Parent-Teachers Association when they convened at the University in October.

The violet is the flower of the National Organization and its colors are jade green and violet. The official publication of Kappa Delta Pi is the quarterly "Educational Forum."

Thirteen girls wore the crossed arrows this year, symbol of Li-Toon-Awa, Sophomore women's honorary. These girls were elected for their character and outstanding service in their freshman year.

Beginning the year with a tea for freshman women, Li-Toon-Awa's activities continued throughout the year with the idea of the symbol of the organization, "Friendship." Being "big sisters" to freshman girls who live in town furthered this aim.

The members of Li-Toon-Awa were pledged last May in the annual Link Day ceremonies on the Library Terrace.

Laurel Chapter of Mortar Board was founded on the campus of West Virginia University in 1924.

The organization stresses service to the University as a part of its program each year. This year Mortar Board ordered $25 worth of magazine subscriptions for the University Health Center.

The major project for this year was conducted in connection with the University Placement Office. A booklet was prepared and revised to aid University students in actual use of the employment center and to give pertinent information on job-seeking. Senior women students were also encouraged to register at the Placement Office. They were contacted through talks at sorority houses and dormitories and individually by telephone.

Mortar Board projects are financed by the sale of mums for Homecoming Weekend.

Scholarship, leadership, and service are considered when selecting girls for membership.

MORTAR BOARD

MOUNTAIN

Mountain, ranking men's honorary, was founded June 1, 1904. Its aim and purpose is service to the University, the State and the Nation. The group aids in crystallizing student opinion and promoting the interest and welfare of the University in accordance with the principles adopted by the students and the administration.

Membership in Mountain is limited to outstanding men who have been enrolled in the University for at least five semesters. Selection of members is based on personal character, achievement and service to the University.

Each year Mountain sponsors the Mountaineer Week Team and the Homecoming Dance in addition to selecting and supervising the activities of the Mountaineer and the Cheerleading squad. With the exception of the Mountaineer Week Team, the projects of Mountain are carried on without publicity.

LAIR

Mountainlair, the student center, is a remodeled Navy recreation building, situated at the northeast end of Mountaineer Field. It contains a large snack bar, four bowling alleys, a lounge with newspapers and magazines, and activities or meeting room, office space, and a huge ballroom used for such activities as table tennis, badminton, shuffleboard, dances, and special student functions. A smaller upstairs ballroom is used for small dances, movies, style shows, etc.

The Mountainlair Swimming Pool was opened in August, 1951. The pool is 42 by 75 feet, the regulation intercollegiate size. Adequate recreational swimming hours are provided for all persons having a Mountainlair identification card.

The Mountainlair staff devotes its full time to making a pleasing atmosphere for students' recreation and to setting up an adequate program designed to fit many individual needs of students on campus. The activities at Mountainlair are planned by the students with the coordination of a Social Director.

Joan Cochran (Social Director), Boris Belpuliti (Director), Phyllis Arthur (Secretary), Homer Cox (Food Supervisor).

MU PHI EPSILON

Mu Phi Epsilon is a National Music Sorority which promotes musicianship and friendship among women students and graduates of American colleges and schools of music.

In May, 1950, Epsilon Mu Chapter was chartered under the auspices of the West Virginia University School of Music. The sorority is primarily a performing organization, and its members participate in many musical programs during the school year both on and off campus.

At the same time they strive to function as an integral part of the student life in the School of Music by fostering high scholarship and cooperation. This year the local chapter established an award which will be given annually in the School of Music to the female student selected by the faculty as being most outstanding in musicianship, scholarship, and cooperation.

St. John's Chapel, Newman Hall, West Virginia University.

In 1917, Father John W. Keogh made the Catholic student club here officially a member of the Federation of College Catholic Clubs. The club then adopted the title Newman Club.

Newman Hall was completed and ready for occupancy in September 1925. The building houses some 25 students, the chaplain, a spacious lounge, library, and recreational facilities.

The aims of the Newman Club are threefold: religious, educational, and social. Meetings are held bi-monthly in Newman Hall, giving Catholic students an opportunity to get acquainted.

Masses are said daily and instruction classes meet once a week for the benefit of the students and faculty. Father Eugene Schmitt, Chaplain of the Club, serves as advisor and confessor to the students.

Each year the club with Mountainlair, sponsors the Moonlight Prom, this year featuring "The Fabulous Dorseys." During the year many other social events are held, closing with the annual club outing held late in May.

The Newman Club participates in the intramural sports church league.

Orchesis, the University modern dance workshop, was established on campus in 1928 for the purpose of developing and maintaining an appreciation of movement as an art form and a high standard of creative effort, providing an opportunity for achieving artistic integrity.

Membership in the group is open to men and women students who can satisfactorily achieve technical standards.

Orchesis has brought well known dancers such as Hanya Holm, Martha Graham, Frankel and Ryder to the campus for performance and master lessons. Members of Orchesis have cooperated with the Music School and YWCA in presenting programs on campus. In the past many trips have been made to Pittsburgh to attend dance performances by great artists.

Orchesis' own production is presented annually in the spring. Following the presentation on campus, a series of performances for nearby high schools is given.

ORCHESIS

PHI EPSILON PHI

Phi Epsilon Phi Fraternity, the National Botanical Honorary, was founded at West Virginia University in 1929 for the advancement of professional botany and the encouragement of botanical research. It is an organization of graduate and undergraduate students of high scholastic attainment who show promise of professional achievement in the plant sciences. The Fraternity was not conceived with the idea of isolation or delimitation of the botanical science, but with the objective of serving the greater need of plant science. Its membership is accordingly open to students and faculty of all the plant sciences who can, with unified action, carry their interest in botany beyond the class room. This facilitates the exchange of ideas among members, promulgates the entertaining and educational activities in botany, and provides opportunity for fellowship and organized social activities.

PHI UPSILON OMICRON

Phi Upsilon Omicron, Home Economics Professional Honorary, originated at the University of Minnesota in 1909. Lambda, the West Virginia University chapter, was installed November 24, 1923, with seven charter members. It has as its goals service, professional study, and advancement of home economics. Members are chosen on the basis of excellence in scholarship, activities on campus, activities in the home economics department and professional attitude. A one hundred dollar scholarship is awarded yearly to a selected incoming freshman in Home Economics, half of which is given by the chapter and half by the Lambda Alumnae Chapter. For the benefit of the members three meetings are planned yearly with professional leaders in the field of home economics.

The University Recreation Club is probably one of the youngest organizations on the WVU campus. It was formed in 1948 shortly after the School of Recreation was added to the list of Schools and Colleges on the campus. Being a new club, it has a comparatively small membership, but a hardworking one.

In the fall the luncheon meetings at Mountainlair are taken up with the paying of dues to the American Recreation Society, the planning of a get-together for the members, instructors, guests, and the setting up of a booth for the Homecoming Weekend. Christmas finds us caroling before our annual party. This year our Christmas party was held in the home of Mr. John Sherlacher, Dean of the School of Recreation and organizer of the Recreation Club.

When Spring arrives, we are busy sending delegates to the national conference and electing new officers for the coming year. Year by year, the Recreation Club is growing in membership and contribution to the campus.

RECREATION CLUB

SCABBARD AND BLADE

The National Society of Scabbard and Blade was founded in 1905 at the University of Wisconsin. The Society is now organized as a Division of 122 companies located at 122 different colleges and universities with a total membership of over sixty thousand (60,000). C Company, 2nd Regiment was established at West Virginia University in 1916, and was the fifteenth company to be established by the National Society.

The membership of Scabbard and Blade is composed of advanced military ROTC students who have shown outstanding achievement in leadership and scholarship throughout their college careers.

During the year Scabbard and Blade engages in several activities, the most prominent of which is that of providing a military escort for Queen Ceres and her court at the annual Buckwheat Festival at Kingwood. Other activities include providing an honor guard to raise the flag at home football games; Alumni Registration at Homecoming; providing a military display for Greater West Virginia Week-end; and, sponsoring the commissioning exercises for graduating ROTC students in May.

SIGMA THETA EPSILON

Sigma Theta Epsilon is a national fraternity for men of Methodist preference. Mu Chapter which has a membership of sixty men works in close cooperation with Wesley Foundation and the Methodist Church. It participates in wholesome social activities as well as worthwhile service projects within the community.

We seek to serve, to give to the world talents given to use. We seek to give to our membership a more complete understanding of the arts of living and to develop their talents in order that they may enjoy the more abundant life. We seek to give to the Church and the world trained leaders dedicated to the principles of Christian living and brotherly love. We seek to serve as workers in any worthwhile project having for its object the betterment of human life. It is our supreme purpose to serve as apostles of our Supreme Brother.

Sphinx, senior men's honorary, was installed at West Virginia University in 1909. Since its inception, Sphinx has become one of the outstanding men's organizations on the campus, with its program solely one of service to the University.

Some services rendered by Sphinx are the sponsorship of the Mother's Day Sing, Homecoming Weekend Carnival, and the Freshmen Scholarship Awards. This last-mentioned service consists of the presentations of certificates to the twelve men in the freshman class who had the highest grade-point average during their first semester on the campus, and is in keeping with the aim of Sphinx to foster the well-being and interest of freshmen.

The organization was founded at Ohio State University. Members are selected from among those men entering their senior year who have shown academic proficiency, leadership in campus activities, and a sincere desire to serve their fellow students.

Tau Beta Pi is an honor society which was established at Lehigh University on June 15, 1885, "to mark in a fitting manner those who have conferred honor upon their Alma Mater by distinguished scholarship and exemplary character as undergraduates in engineering." Since the establishment of this association, 96 chapters have been installed, and over 78,000 members have been initiated. The local chapter was founded on June 3, 1922, and has a total active and alumni membership of 582 members.

The members of this organization are chosen from the upper one-eighth of the junior class and the upper one-fifth of the senior class in the College of Engineering. Initiations are held each semester.

Each year, Tau Beta Pi presents an award to the outstanding freshman of the preceding year, supervises the editing of the annual senior booklet in the College of Engineering, and assists with the Engineer's Show for Greater West Virginia Weekend.

UNIVERSITY DAMES CLUB

West Virginia University Dames Club was first organized on the local campus in November, 1935, by Mrs. L. B. Hill, Mrs. Earl Hudelson, and Mrs. Festus P. Summers.

On December 8, 1936, West Virginia University became the first West Virginia Chapter to join the National University Dames Organization. The club was inactive during the war years but renewed their membership in the National Association in 1950 and have been active since.

The objectives of the Dames Club are to promote friendship and to stimulate general culture among the students' wives.

Some of the accomplishments of the Dames Club for the year of 1953-54 are: collected food baskets for needy families and Salvation Army; held a Christmas Party for the Kiddies; sponsored a Well Baby Clinic; held an "Ice Breaker Party" for the members; and sponsored many other interesting programs.

West Virginia University is National Headquarters for the University Dames this year. There are seventy-five Dames Clubs throughout the United States, and it is our duty to collect national dues from each chapter and publish the yearbook. West Virginia University will not be National Headquarters for another 75 years.

WESLEY FOUNDATION

Wesley Foundation is a fellowship of students who wish to grow in their Christian experience while they are in college. Wesley Foundation is a "Church Home Away From Home" for hundreds of students giving them an opportunity for creative living and to learn effective churchmanship by providing opportunities for inspiring worship and personal counsel, home-like Christian fellowship and wholesome social recreation, meaningful Christian interpretation and guidance toward tested goals of Christ-like faith and action.

The principles of Jesus Christ are the points upon which the total program is established and which guide our efforts to meet the religious, social, academic, physical, and personal needs of students. Many opportunities for the expression of leadership ability, personal talents, and skills are provided through the volunteer nature of the Foundation organization.

Development of church loyalty is a primary goal of our program and our affiliation with the Methodist Church is an essential realization of this end. The Methodist Church, both officially and individually, has contributed generously to the building of a strong Foundation. This is their investment in youth and their investment shall be profitable through those who are vitally influenced by spiritual realities, our reasoned hope for a Christian tomorrow.

We propose to offer to the student the kind of fellowship during his college days which will make for the building of the strongest possible faith in God.

Our total program is directed toward building such a faith.

MRS. ROBERTA ROBERTS
Secretary and Counselor

Wesley Foundation is a national organization and is part of the program of the Methodist Church. Many Foundations may be found on college and university campuses throughout the country. Wesley Foundation on the campus of West Virginia University is supported by the West Virginia Annual Conference of the Methodist Church which appoints a Board of Trustees to govern the organization. To this body are responsible the director and associate director.

The director of the local organization is Dr. T. Leroy Hooper, pastor of Wesley Church. His associate is Rev. Roy E. Oldham. Mrs. Roberta Roberts serves as secretary and counselor.

JOHN DENNISON
President, Student Cabinet

The student government is centered in its cabinet. This organization, composed of both elected and oppointed officers and officials, functions as a legislative body. It is composed of 26 members of Wesley Foundation of which more than half are elected. Each person represents a specific phase of the program of the Foundation.

All of the planning of the various activities, such as worship programs, deputations, publications, social action, recreation, athletics, etc., is done by the students with the aid, advice and guidance of the director and his assistants.

One of the outstanding projects of the students of Wesley Foundation is the sponsoring of a foreign student each year.

Woman's Recreation Association was organized on the campus to provide recreational and athletic activities for the women students, to increase interest in these activities, and to further in every way the spirit of good sportsmanship on the campus. Any woman registered in WVU is eligible for membership and participation in W.R.A.

The woman's intramural program involves competition between groups and individuals and is sponsored by this organization. This recreational program is carried on through the cooperation of the athletic managers representing the dormitory, sorority, and town teams. Entry of each team in a tournament is made by the athletic manager of their respective groups and participation is voluntary. An award is given to each championship team in each tournament.

WOMEN'S RECREATION ASSOCIATION

Y. M. C. A.

"To realize a full and creative life through a growing knowledge of God" is the basis of the Young Women's Christian Association at the University. Planned by a cabinet of forty members, the program is set up to give each of the three hundred and fifty members an opportunity for service and learning experiences through the varied projects. Membership is open to any woman on the campus.

The first student YWCA was founded at Illinois State Normal University in 1873. Now members of the National Student Christian Movement, the local group is beginning its forty-seventh year of service.

Besides the Wednesday evening programs, "Y" offers Bible study groups, work camps, Bible school teaching, sponsors Life Week, and aids with World University Service.

STUDENT BRANCH OF THE AMERICAN PHARMACEUTICAL ASSOCIATION

The West Virginia University College of Pharmacy Student Branch of the American Pharmaceutical Association was organized in 1948. Its object is to provide for participation of students in the activities of the American Pharmaceutical Association to the end that their interest in pharmaceutical-education association work may be stimulated and guided, and to familiarize them with the condition existing in, and the problems confronting the profession.

The chief purpose of the College is to provide a systematic instruction and training in pharmacy, its allied sciences, and such other subjects as are deemed to be essential in the education of a pharmacist, that he may meet the present and future demands of the profession in an able and intelligent manner, and to cooperate with the pharmacists of the state to maintain and elevate the standards of the profession.

The origin of Pharmacy at the University dates back to the year of 1914 when a two year course leading to a Pharmacy Graduate (Ph.G.) degree. Through the years, Pharmacy has been quartered in the Medical School Building (1914-1920), Woodburn Hall (1920-1951), and in 1951 moved to the present quarters of the College in Science Hall.

Since 1932 a minimum of four years of study has been required for the Bachelor of Science degree in Pharmacy.

ALPHA DELTA PI

The oldest secret organization for women, Alpha Delta Pi, was founded at Wesleyan Female College, Macon, Georgia, May 15, 1851. That was 103 years ago, just fifteen years after Wesleyan became the first college in the world privileged to graduate women.

There are now eighty active chapters throughout the United States and Canada with a membership totaling more than 36,000.

Alpha Delta Pi came to West Virginia University in 1919, when a local sorority, Alpha Theta Zeta, became Alpha Upsilon chapter.

Besides its social and cultural activities, Alpha Delta Pi supports a national equipment pool to provide, in cooperation with the national Society for Crippled Children and Adults, equipment for treatment centers, clinics, and schools for handicapped children.

Members of the campus chapter are active in Mortar Board, Chimes, Kappa Delta Pi, Phi Upsilon Omicron, University Press Club, Theta Sigma Phi, Dolphin, YWCA and Cabinet, La Tertulia, Associated Women Students Council, Block and Bridle Club, Pi Delta Phi, American Pharmaceutical Association, Alpha Psi Omega, and University Players.

The sorority annually has a picnic for underprivileged children in this area.

ALPHA PHI

Alpha Phi International Fraternity was founded at Syracuse University in Syracuse, New York, in 1872. Beta Iota of Alpha Phi was established at West Virginia University in 1930.

One of the highlights of Alpha Phi this year was the housewarming in honor of the new addition to the house. This new addition makes it possible to house twenty-eight girls. The Alpha Phi house is located at 261 Willey Street.

Beta Iota of Alpha Phi began a successful year by pledging eighteen girls. Mountaineer Week-end was especially exciting for Alpha Phi because Eleanor Ellis reigned as Mountaineer Queen. The sorority won further recognition by winning second place in both the Homecoming and Mountaineer Week-end parades in the float division. The annual Forget-me-not Formal was held April 10 in the Hotel Morgan. Beta Iota worked hard on their national projects, Cardiac Aid Philanthropy.

Several Alpha Phi's held prominent positions on the campus: Eleanor Ellis, Editor-in-Chief of the Daily Athenaeum; Dorothy Leeson, Secretary of Mountainlair; Sally Huey, President of Dolphin; Nancy Rapp, President of Orchesis; Yvonne Gump, Vice President of the Sophomore Class and Secretary of the Executive Council of the Student Body. Sally Huey and Nancy Robinson were in Chimes and Eleanor Ellis was in Mortar Board.

ALPHA XI DELTA

With the founding of Iota Chapter in 1905, Alpha Xi Delta was the first national sorority to become established on the campus at West Virginia University. The national organization was founded at Lombard College in 1893.

The sorority began the fall season with the pledging of 16 girls. Honors came to the chapter during Homecoming Weekend this year when its candidate was elected queen and first place honors were won on its house decoration and float. A member was also elected vice-president of the student body. During Mountaineer Weekend a chapter member was elected attendant to the queen and honorable mention was received in the float competition. Two members are cheerleaders and five are ROTC sponsors. Two girls are military honorary sponsors.

Other chapter achievements are '51 Homecoming queen, '50, '52 attendants; '51, '52 '53 Band Sweethearts; '52 Mountaineer queen and first place float, '51 attendant; '51 first place Mothers' Day Sing, '52 second, '53 third; '52 Miss West Virginia.

Annual social activities included the Circus Party, the Christmas Party, the initiation banquet and the Rose Formal.

Honors, achievements, recognition are regarded highly—but sisterhood is Alpha Xi Delta.

CHI OMEGA

Theta Chapter of Chi Omega was founded at West Virginia University in 1905. Chi Omega was founded as a national fraternity in 1895 at the University of Arkansas and now has a total of one hundred and fifteen active chapters.

In 1930, Chi Omega sponsored the National Achievement Award, a gold medal presented annually and usually to an American woman of notable accomplishments. The award is made in the fields of public affairs, art, the professions, business and finance, education and literature. In 1953, the award was presented by President Eisenhower to Senator Margaret Chase Smith.

Members of Theta Chapter who have distinguished themselves in campus activities are Mary Ann Weese, President of Y.W.C.A., A.W.S. Vice-president, and Mortar Board; Beverly Amend, President of Phi Upsilon Omicron; Carolyn Thomas, co-ordinator of Special Events committee of Mountainlair; Joan Davis, Li-toon-awa Treasurer and attendant to Homecoming queen; Reba Lou Jordan, Li-toon-awa; Alice Selby, Chimes; Mirian Reep, attendant to Men's Pan-Hellenic Queen and female lead in University Players' "Bell, Book and Candle." R.O.T.C. sponsors from Theta Chapter were Alice Selby, Connie Campbell, and Mirian Reep. Martha Howes is freshman A.W.S. representative and President of the Junior Pan-Hellenic Council.

DELTA GAMMA

Alpha Xi Chapter of Delta Gamma was anchored on the West Virginia campus in 1922. Delta Gamma was one of the eight sororities forming the first National Pan-Hellenic Council in 1909.

The year began with rushing and pledging of fifteen girls to Delta Gamma. During Mountaineer Week-end, Anne Burgner was elected an attendant to the Mountaineer Queen, and our float was judged top entry in the parade. Men's Pan-Hellenic Formal was an exciting week-end for the Queen, Marie Burgner. Christmas found the D. G.'s giving a special remembrance to Lelia Thomas in accordance with their national project, Sight Conservation and Aid to the Blind. During finals the girls studied hard to defend the Scholarship Cup. Highlighting the spring was the annual formal at the Hotel Morgan.

Several Delta Gammas were elected to campus offices: Jane Stillwell, President of A.W.S.; Catherine McCue, President of Women's Pan-Hellenic; Patty Zinn, President of Journalism Honorary; Virginia Kemp, Vice-President of Freshman Class; Jo Walker, Freshman representative to A.W.S.; and Betty Davidson, Freshman cheerleader.

Serving in honoraries this year are Jean Wimer and Jo Ann Reed in Mortar Board; Anne Woodrum, Cecelia Queen, Carolyn Zinn, and Barbara Fox in Chimes; Fran Alderson, Kitty Moler, Anne Burgner, Marie Burgner, Patty Shumate and Betty Shumate in Li-Toon-Awa. Carolyn Zinn was elected President of Chimes, and Patty Shumate heads Li-Toon-Awa as its President.

KAPPA DELTA

Kappa Delta was founded in 1897 at Longwood College, Virginia. The University chapter was colonized in November, 1950, and installed in March, 1951.

Kappa Deltas are active in Mortar Board, Chimes, Li-toon-awa and other campus honoraries and organizations.

The purpose and object of the sorority is to form lasting friendships among college women and to promote educational and social interests.

As its national philanthropy, Kappa Delta supports six beds in the Crippled Children's Hospital, Richmond, Virginia. Locally the sorority makes several visits each year to children's wards in local hospitals taking toys, tray favors, and etc. to the small patients.

KAPPA KAPPA GAMMA

Kappa Gamma Gamma is one of the oldest of the Greek-letter sororities. It was founded at Monmouth College, Illinois, in 1870. Kappa was the first to have a sorority magazine. The sorority has 82 active chapters, more than 100 alumni chapters, and a membership of 45,000.

Beta Upsilon Chapter of Kappa Kappa Gamma was installed on the campus of West Virginia University December 22, 1906, with 12 members. Kappa Kappa Gamma was the third sorority to be installed at the University and has helped take the initial move to bring such organizations to this campus.

In 1912 the Kappa's started a pioneering movement for fraternity houses at the University. Beta Upsilon was the first to rent a chapter house and the first to own a house.

In the past year, the Kappa's were second place winners in the Sphinx Talent Show with their "Way Back When" skit. This year, for the Homecoming Parade, the Kappa's used a "Little Lulu" theme for their float. They have been winners of the WRA Intramural Volleyball and Riflery tournaments this fall.

Kappa has Janet Paulus, Cynthia Proffit, and Mary Ann Power in Chimes, Junior Honorary. Ruth Murphy is president of Woman's Recreational Association, and Mary Ann Power is Treasurer. Charlene Standley was chosen freshman cheerleader. Margaret Ann Brady, Ruth Murphy, Cynthia Proffitt and Harriett Hill are R.O.T.C. sponsors.

PI BETA PHI

Pi Beta Phi national sorority was founded at Monmouth College, Monmouth, Illinois, on April 28, 1867, under the name of I. C. Sorosis. West Virginia Alpha Chapter came into existence in 1918. Today there are one hundred active chapters and over 50,000 members who bear the name of Pi Beta Phi.

West Virginia Alpha has gained many honors this past year. They have three members in Mortar Board, three in Li-toon-awa, and many are members of the various departmental honoraries. Jean Atkinson was attendant to the Queen of the annual Winter Formal, sponsored by the Men's Interfraternity Council. Mary Dixon was attendant to Mountaineer Queen. Homecoming Weekend is always a big event on campus, and it was particularly exciting for the Pi Phi's this year, for they captured second place in the house decorations contest.

Topping the social calendar for the year was the annual Christmas party held in December and the Spring Formal. Rushing also held top priority under this heading.

ALPHA GAMMA RHO

Nationally Alpha Gamma Rho had its beginning at the University of Illinois and also at Ohio State University on April 4, 1908. The combination of two local organizations—Alpha Gamma Rho of Ohio State and Delta Rho Sigma of the University of Illinois started with the comparison of ideas and realization of the need for a national fraternity while members of the respective groups were attending the International Live Stock Exposition at Chicago in 1906.

Alpha Alpha Chapter of Alpha Gamma Rho came to the campus of West Virginia University on April 24, 1924. During the succeeding nine years the fraternity was active on the campus, but as was the case with a number of other Greek Letter organizations, the chapter went inactive during the adverse years of the early thirties. It was several years before there was much talk of reorganizing the chapter, but finally a group of young men under the supervision of a small group of local alumni became interested and organized the Gamma Rho Club with the goal of later rejoining the national fraternity as the Alpha Alpha Chapter. This was accomplished on March 26, 1949 when 52 members were initiated into the national fraternity and regained possession of the Alpha Alpha Charter.

Since the reactivation of the local chapter its members have not only been busy in the activities of the College of Agriculture, but also have been very active in campus activities. They have participated in and coopetrated with all activities which were for the betterment of the University and the college community.

The objects of the Alpha Gamma Rho as defined by the founders of the fraternity are: "To promote a spirit of sociability and good fellowship among the students of agricultural colleges; to bring about closer relationships among men pursuing some phase of agriculture as a profession; to bind together all our members by ties of sincere and enduring brotherhood; to bring out the best to lend one another every honorable means of assistance and encouragement through life."

ALPHA PHI DELTA

Alpha Phi Delta was first organized on the West Virginia Campus in 1923. On December 23, 1923, Pi Chapter was officially recognized by the National Organization of Alpha Phi Delta as an active chapter and received its charter. They were an active fraternity on the University Campus until the early World War II years. In 1942, the chapter was inactivated and remained so until the first semester of 1948.

On October 13, 1948, Pi Chapter of Alpha Phi Delta was re-activated under the supervision of Dr. Darby, a language professor at the University and has since then remained an active fraternity on the campus.

BETA THETA PI

Beta Psi Chapter of Beta Theta Pi was founded at West Virginia University August 31, 1900, and has been in continuous existence ever since. At the present time the chapter has a membership of 75 men.

There are 98 chapters of Beta Theta Pi spread from Canada to Mexico with a national membership of 70,000 actives and alumni.

West Virginia Beta Psi began its work this fall with a very successful rush week which resulted in the pledging of 21 newcomers to West Virginia University. Early in April the Chapter was honored by the presence of Brother A. J. G. Priest, National President of the Fraternity. One of the highlights of the spring season was the annual Miami Triad, held in conjunction wiht Phi Delta Theta and Sigma Chi both founded at Miami University, Oxford, Ohio, in the decade after Beta's birth.

Beta Psi continued to serve West Virginia outstandingly in its 54th year on the campus. Eleven men in Fi Batar Cappar, 5 in Mountain, an All-American football player, Editor and Business Manager of the MONTICOLA, President and Coordinator of Mountainlair Activities, 9 varsity athletes, Head Cheerleader, and membership in Tau Beta Pi, Engineering Honorary, Phi Beta Kappa, Alpha Epsilon Delta, premed honorary, Pi Delta Phi, French honorary, and the History and English Honoraries all served to further entrench Beta Theta Pi in an already firm position in the University family.

DELTA TAU DELTA

Delta Tau Delta Fraternity was founded in 1859 in Bethany, Virginia (now Bethany, West Virginia). Gamma Delta Chapter was established on the campus in 1860 when Monongalia Academy stood where the University is now located. The chapter which continued until 1864 was then called Delta. It was re-established as Gamma Delta on May 24, 1900. Since that time 645 men have held membership in this chapter. The house, completed in 1927, has been in use every year except for three years during the Second World War.

Last year the living quarters in the house were completely remodeled. The remodeling consisted of painting the interior, tiling the floors, and installation of new furniture.

Some of the outstanding social events of the year included a Carnival Party in November, the annual Delt Christmas Party and Dance, a Winter Formal in February, and a Spring Formal in May. The Mother's Day Sing was followed by a reception in the chapter house. Homecoming Week-end was a gala affair with all the alumni renewing old acquaintances.

KAPPA ALPHA

Kappa Alpha order was founded in 1865 during the presidency of Robert E. Lee at what is now Washington and Lee University. The purpose of the society was to preserve the Southern traditions which had been overthrown by the Civil War. Originally Kappa Alpha had been named Phi Kappa Chi, but the founders complied with the request of Phi Kappa Psi and renamed it Kappa Alpha to avoid possible confusion.

Alpha Rho Chapter received its charter in 1897 and was one of the first fraternities on the University campus being installed by Dr. W. S. Hamilton.

The rose and the magnolia are the fraternity flowers and the colors are old gold and crimson. The motto of the Order is "Dieu et les Dames" and the social fraternity bases its doctrine and teaching on the idea of the "perfect gentleman" as exemplified by the immortal Robert E. Lee.

KAPPA SIGMA

Gamma Phi Chapter of Kappa Sigma was chartered at West Virginia University in 1918, a revival of the former Pi Chapter of 1883. The national fraternity is represented in forty-five states and the Dominion of Canada and has 125 chapters with a total membership of 75,000. Kappa Sigma is one of the original Southern fraternities. It was organized at the University of Virginia in 1869.

The West Virginia Chapter of Kappa Sigma suspended its activities on the campus for three years during the war period, but was reorganized in the fall of 1946.

Outstanding events of the year include successful rush parties, a homecoming party honoring alumni, the Kappa Sig Bar and Grill party, the Christmas party, and the annual Spring Formal concluded the social calendar for the year.

PHI DELTA THETA

West Virginia Alpha of Phi Delta Theta Social Fraternity was granted a charter on December 29, 1926, at the Montreal Convention and installed on the University Campus on March 12, 1927. The chapter was formed from "The Virginian," a literary club, which in 1919 had become the local Phi Delta Lambda—Phi Delta, to indicate its desire to become associated with Phi Delta Theta, Lambda, because it was the eleventh Greek-letter society on campus. A member of the Miami Triad, the first chapter of Phi Delta Theta was formed on December 26, 1848, on the Miami University Campus at Oxford, Ohio, and now comprises 116 chapters in the United States and Canada boasting a total membership of approximately 75,000.

This chapter, the only one in West Virginia, now occupies a bungalow at 664 Spruce Street. As a tribute to Roger "Shorty" Hicks, an All-American basketball player for the University and a member of Phi Delta Theta who was killed during World War II, the chapter annually presents the "Roger Hicks Memorial Basketball Trophy" to the outstanding member of the Varsity Team. This player is chosen by an impartial committee composed of one fraternity representative and members of the faculty and coaching staff.

PHI KAPPA PSI

West Virginia Alpha of Phi Kappa Psi, the first existing fraternity at West Virginia University, was founded on May 23, 1890. Charles P. T. Moore and William H. Letterman founded the national fraternity of Phi Kappa Psi in the year 1852 on the highest ideals of brotherhood, moral character, scholarship, and of fostering a healthy environment for social living. The men wearing the badge of Phi Kappa Psi have ever before them the history of achievements and the charge of striving to attain the ideals set forth in their Ritual. The whole sum of Phi Psi tradition may be gathered together under the single word gentleman.

It is a tradition at the "House on the Hill" with all Phi Psi's to ever work for the betterment of their University and to extend a welcome hand to all who enter their home at 780 Spruce.

PHI KAPPA SIGMA

Phi Kappa Sigma Fraternity was founded at the University of Pennsylvania, August 16, 1850, through the leadership of Samuel B. W. Mitchell. Since that time, Phi Kappa Sigma has expanded to include 45 student chapters in the United States and Canada, located mainly in state universities with some chapters in older colleges. The fraternity also has 34 alumni chapters located in the principal cities throughout the United States.

Alpha Gamma chapters of Phi Kappa Sigma is one of the oldest fraternities on the West Virginia University Campus. It was established January 15, 1896, and has been in continuous existence except for a short period during World War II. The chapter now consists of 53 members.

Highlights of the year have included an excellent pledge class enrollment and a very successful social program. Some of the main events were a beach party, a pledge formal, and open house for alumni during the football season. At the present time "Phi Kaps" are looking forward to the annual Black and Gold Spring Formal to be held in the Coral Room of the Hotel Morgan.

PHI SIGMA DELTA

Upsilon Chapter of Phi Sigma Delta Fraternity was founded on the West Virginia University Campus on May 7, 1927, and has been active ever since. The chapter evolved from Mu Delta Mu, a local fraternity, which came into existence in 1922.

The National Fraternity was founded on November 10, 1909, at Columbia University, and now chapters of the organization are located in nearly thirty-five large institutes from coast to coast.

The 1953-54 rushing season was again a great success at 665 Spruce Street with seventeen men pledging the organization.

Highlights of the Upsilon social calendar were its annual pre-season Labor Day Celebration, Thanksgiving Affair, and Spring Formal. Each affair consisted of a formal dance, dinner-banquet, theme party, and several informal get-togethers. A number of other parties were given throughout the year to add a very successful social season.

PHI SIGMA KAPPA

Delta Chapter, fourth unit of Phi Sigma Kappa, was founded at Morgantown in February, 1891, with induction ceremonies taking place on a river packet, the "Delta Queen." Second oldest social fraternity on the Mountaineer Campus, the chapter has continued uninterrupted to the present time, having initiated more than 950 members, including two governors of West Virginia.

The year 1952-53 was one of the chapter's best in recent annals with a second-place leg on the all-year athletic trophy, four first places in intramural sports competition, and first place in the annual Mother's Day Sing.

The present chapter house was built in 1926 and is the fourth home of the group. The house is owned by the Chapter House Association, official alumni group, whose current president is Joseph P. Condry, director of the West Virginia Bureau of Motor Vehicles.

The local chapter's history has been an integral part of fraternity development on the campus with Phi Sigma Kappa having led in the formation of the Student Party, the introduction of the permanent housemother system, and the formation of the Council of Fraternity Presidents.

Phi Sigma Kappa, founded in 1873 at Massachusetts State College, now has 65 chapters. A former president, Herbert I. Brown, is current Vice-chairman of the National Interfraternity Conference. Fraternity colors are silver and magenta, and the red carnation is the official flower.

PI KAPPA ALPHA

Since coming on campus Pi Kappa Alpha has been active in many activities. Participation in campus-wide programs has won the fraternity numerous trophies in past years such as first place in the Mother's Day Sing in 1951, two consecutive first places in interfraternity debate in 1951 and 1952, and first or second places for the past four years in the contests held during Homecoming Weekend. This year during Homecoming Weekend the fraternity won the first place trophy and the R. M. Davis traveling trophy in the House Decorations Contest with its entry, a replica of Mountaineer Field. Scholastically, Phi Kappa Alpha placed second last year among fraternities in the over-all year average.

On the social side, Pi Kappa Alpha has already enjoyed many dances and parties since school began, the largest being the annual Christmas party. Pi Kappa Alpha is now looking forward to the Dream Girl Formal this spring. This dance is an annual national tradition of the fraternity and each year prior to the dance, the "Dream Girl" of the year and her attendants are selected. Last year this honor was won by Miss Mary Keetner of Alpha Phi. This year an even more successful formal is envisioned. Another Highlight of this year's activities will be the celebration of "Founders' Day" in March. On this day homage is paid to those men who brought Pi Kappa Alpha into being.

PI LAMBDA PHI

Pi Lambda Phi Fraternity was founded at Yale University in 1895. At the present time there are approximately 11,000 members of 33 chapters located throughout the United States and Canada. Mu Chapter at West Virginia University received its charter on May 28, 1922.

The 1952-53 school year ended on a triumphant note when Pi Lambda Phi was presented with the All-Year Intramural Athletics trophy for the B division. Further additions to the trophy case were made this year when the Pi Lams won the intramural tennis trophy and took third place with a novel float in the Mountaineer Week-end parade.

The 1953-54 social season began with the annual Labor Day Formal held in Charleston and continued with several house parties during the year. The social season will end with the annual Anniversary Formal held in May.

Pi Lambda Phi has distinguished itself this year by having two members in Sphinx, three in Fi Batar Cappar, two in Alpha Epsilon Delta, one in Alpha Kappa Psi, one on the varsity basketball team, one on the varsity swimming team, and one in the Student Legislature.

SIGMA CHI

Since the inception of Sigma Chi in 1855 at Miami University, Oxford, Ohio, this international fraternal order has continuously perpetuated the ideals established by the Seven Founders. Friendship, Justice, and Learning are the working concepts, while other virtues and standards are additional parts in the puzzle of human character. Mu Mu Chapter, established at West Virginia University in 1895 has remained active, admitting only those students with ambitious purposes, fair ability, and a congenial disposition. The Fraternity stimulates participation in the University programs and develops close cooperation with the University and other student organizations.

With the White Cross and motto "In hoc signo vinces" for guidance, Sigma Chi ranks first in fraternal standing in number of alumni chapters and is third in total membership; has the oldest continuous fraternal publication, *The Magazine of Sigma Chi;* and has composed "The Sweetheart of Sigma Chi." *Life Magazine* referred to Sigma Chi as "the most solid of all Fraternities."

Annually, the members enjoy the Sadie Hawkins and Sweetheart Parties, while accruing an outstanding position in intramurals and student organizations, this program culminating in the Miami Triad. At present, with a plot of ground secured, architectural and financial plans underway, Mu Mu anticipates a new chapter house in the near future.

SIGMA NU

Gamma Pi Chapter of Sigma Nu was established at the University in 1904 and is one of 116 chapters located in 46 states, Canada, and the District of Columbia. Sigma Nu is one of the largest national fraternities and the best geographically represented. The Fraternity was founded at the Virginia Military Institute in 1869 and now has over 63,000 living members.

The rolls of Gamma Pi Chapter now list 60 actives and 26 pledges.

Next September will find Sigma Nu "at home" in the Fraternity's newly constructed residence on Blemar Avenue.

SIGMA PHI EPSILON

Sigma Phi Epsilon, national social fraternity, was founded at Richmond College in Richmond, Virginia, on November 1, 1901. In the fifty-two years of its existence it has grown from an organization of one chapter composed of twelve men to one having one hundred and twenty-four chapters and forty-two thousand men. Despite the fact that it is one of the youngest fraternities in America, Sigma Phi Epsilon, through its rapid growth, is now the fourth largest fraternity in number of chapters in the country.

West Virginia Beta Chapter of Sigma Phi Epsilon has a history almost as long as the fraternity itself. The chapter was founded locally in September, 1902. On March 25, 1903, Delaware Walter Scott, George Wentworth Williams, Eddie Earl McIntyre, Erwin Delbert Cole, and William Edmund Watson were initiated as charter members of West Virginia Beta Chapter. It was, at its founding, the sixth in order of founding, but since that time chapters have changed or dropped out of existence until today West Virginia Beta is second only to the founding chapter in age.

In 1903, Delaware Walter Scott, West Virginia Beta, became the first National Grand President of Sigma Phi Epsilon. At the present time, this chapter has initiated 586 men, many of whom have held important offices in the national fraternity organization.

TAU KAPPA EPSILON

Tau Kappa Epsilon first saw light on the West Virginia University Campus in the form of the "Avena Club." On January 3, 1933, after petitioning at the National Conclave of Tau Kappa Epsilon, the club was installed as Rho Chapter of Tau Kappa Epsilon. At that time Rho became the twelfth National Fraternity on the W.V.U. Campus. From 1923 to 1938 Rho changed houses three times. In 1938 and 1939 Rho swept the field of intramural sports winning the "All-Year Cup" both years. Rho changed locations three more times and finally, after a period of inactivity from the Spring of 1944 to the Fall of 1945, moved into its present location at the top of "Fraternity Row."

The Fraternity Song, "All Hail to Our Fraternity," and the colors cherry and grey have heralded many a gala event on this campus.

The Chapter began this year with twenty-eight actives and seventeen pledges and now ranks sixth athletically, having captured the bowling championship with a resounding 823 game in the championship match.

Social life this year began when the Kappa Delta Sorority honored us with their presence at a rush party. Since then we have had frequent parties and open houses highlighted by our annual Christmas Party and Bowery Ball. We also held a Christmas dinner at which time presents were given to underprivileged children.

THETA CHI

Alpha Kappa Chapter of Theta Chi Fraternity was first organized on this campus on February 8, 1921. The chapter prospered until 1935, at which time it went inactive. On April 2, 1949, Alpha Kappa again received its active charter largely through the efforts of a few Theta Chi men who transferred to West Virginia University from other colleges. Since that time Theta Chi Fraternity has been a growing organization on the campus. Within the span of five years, Theta Chi has more than tripled its membership and has its own chapter house.

This year, Theta Chi Fraternity has taken part in all campus activities, Homecoming float and house contests, Mountaineer Weeked float contest, the Campus Christmas Sing, and intramural sports. In addition, the fraternity has pursued fulfillment of its objectives for the continued development of the highest type of citizenship among its members. In all, the activities of Alpha Kappa Chapter follow its motto: "Alma Mater first, Theta Chi for Alma Mater."

DEPARTMENT OF ATHLETICS

Roy "Legs" Hawley has had many thrills during his sixteen year reign as West Virginia University director of athletics, but this year surpassed even 1942 when the Mountaineer basketball team was National Invitation Tournament champion. For years a powerful and highly respected cage opponent, West Virginia found itself in football fame at the close of last season. We went to the Sugar Bowl. Head Coach Art Lewis, born on a farm near Clifton, Mason County, had made his home state proud. In four short seasons he had raised the Mountaineers from the football graveyard to national notoriety.

But getting a team before the public eye and keeping it there, despite a successful season, is a difficult and lengthy job. Edgar Barrett in three years as director of athletic publicity did the job; information poured from his office, and a sports minded nation took notice.

However, even with Art Lewis' brilliant rebuilding job, a team must be kept operating. To paraphrase Napoleon, athletic teams travel on their legs. Keeping a team in shape is a big job. Fortunately, West Virginia has two veterans in that field: Dr. Sam Morris, who has been team physician for thirty-six years, and "Whitey" Gwynne, who has served as head trainer for eight years.

Basketball coach "Red" Brown is looking toward the future—a future that promises great things. West Virginia has passed the lean, unknown years as a sports school. Success has come; we plan to keep it.

Satisfying the experts' pre-season predictions of being one of the nation's leading teams, West Virginia hurdled Pitt in unexpectedly convincing fashion, 17-7, in their season opener at Pitt Stadium before 43,446 spectators.

The Mountaineers unloaded a crushing ground game, grinding out 269 yards net from rushing plays with 214-pound Joe Marconi and Jack Stone racking up 104 and 94 yards respectively.

Stone's rushing set up the first touchdown which was scored from a half-yard out by Quarterback Freddy Wyant with nine minutes gone in the first quarter. Starting from his own 40, WVU's Stone raced 28 yards to the Pitt 32 and moments later he picked up 18 yards to the three.

In the third period Stone booted a 15-yard field goal to give WVU a 10-7 lead after Fullback Tommy Allman had intercepted a Pitt pass on the Panthers' 34.

A Pitt threat was stopped on the WVU 11 and turned into an 89-yard touchdown march by the Mountaineers for their final score. Marconi applied the finishing touches on a 10-yard TD sprint. Stone kicked his second extra point of the day.

Henry Ford's 35-yard pass to Ray DiPasquale was the key play to Pitt's scoring march. DiPasquale was brought down on the four and on the next play Fullback Joe Capp went over for the score. Sterators kicked the point to tie the game, but Stone's field goal opened the gates for a great West Virginia victory.

The triumph was only the 11th for the Mountaineers over Pitt in 46 meetings.

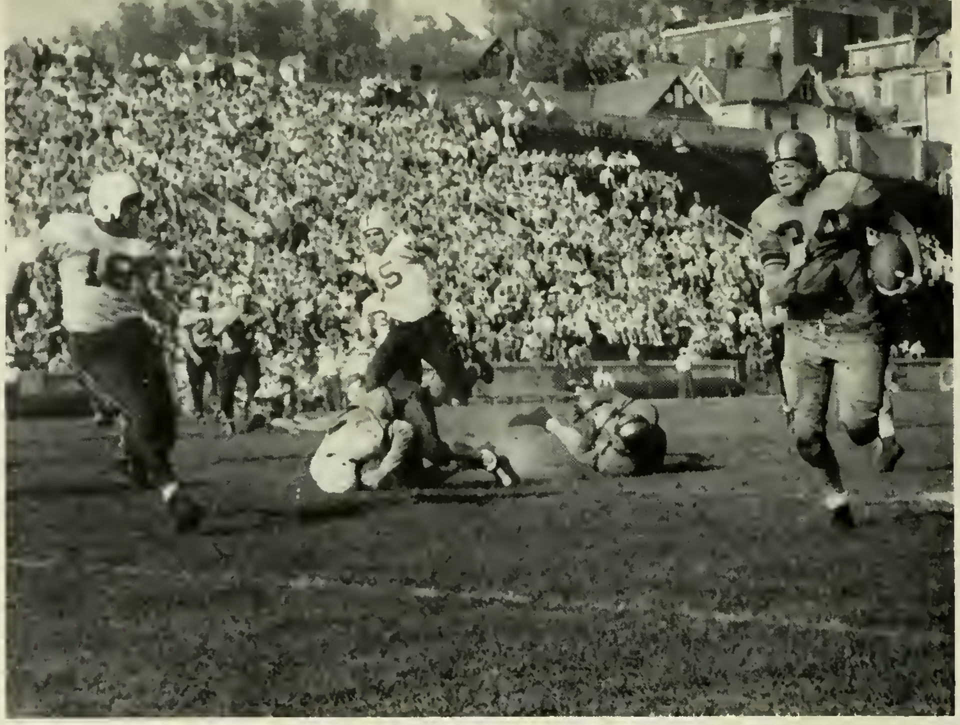
West Virginia's left halfback Jack Stone (21) breaks through Pitt Panther's secondary for a short gain. An unidentified Pitt player is shown making the tackle.



Halfback Joe Marconi breaks into the Waynesburg secondary for 30 yards and a Mountaineer touchdown.

Seven different players scored touchdowns as West Virginia smothered Waynesburg College, 47-19, in the Mountaineer Field debut.

The Gold and Blue moved ahead 20-0 in the first period. Jack Stone started the onslaught with a 40-yard run, Center Bob Orders returned a pass interception 38 yards for the second TD and Bobby Snider cut 11 yards for the third.

The Mountaineers marched 62 yards in the second quarter with Fullback Danny Williams smashing six yard for a touchdown. Waynesburg marched 50 yards in seven plays with John Beazell passing to Roger Gaillard for nine yards and a second-period TD.

Reserve Halfback Carl Norman streaked 51 yards for the lone WVU touchdown in the third period before two TD's ended the scoring. Joe Marconi took a pitchout from Freddy Wyant to run 20 yards and substitute Gary Bunn fell on a Yellow Jackets' fumble for the final WVU scores.

Waynesburg tallied twice in the late moments of the game, both times on passes. Herb Forse pitched to Roger Bradford on a 56-yard play and Beazell tossed to Bradford from the WVU 26 after a fumble recovery set up the scoring chance.

West Virginia accumulated 344 yards on rushing plays and 94 yards passing, making 19 first downs to Waynesburg's five.

The Mountaineers notched their third straight victory and began their quest for a Southern conference title by hammering Washington and Lee, 40-14, at Morgantown.

Three W&L fumbles paved the way for WVU touchdown in the first conference tilt for Coach Art Lewis' gridders. Six Mountaineers contributed to the 40-14 rout. Jack Stone tacked up the first of the WVU tallies in the opening quarter to climax a 55-yard march and Bill Jarrett added another. Bill Sargent passed six yards to Jack Hare for W&L's first touchdown after passes of 33 and 15 yards.

Tackle Bruce Bosely dumped Eddie Landis who tried to pass for the Generals, and fumbled with Bosely recovering on the W&L 19. Freddy Wyant tallied from the five after Carl Norman carried twice. Bob Moss, sophomore from Huntington, raced 30 yards the first time he carried the ball for the Mountaineers' fourth touchdown in the first half.

WVU scored twice in the final period. Bob Orders recovered a fumble on the W&L 21 and four plays later, with the ball on the four, Norman hit paydirt for the score. Center Chick Donaldson intercepted a pass thrown by Bill Sargent and returned it 22 yards for a TD to end the WVU scoring.

The Generals scored again in the third quarter on an 80-yard drive against Mountaineer reserves with Sargent breaking loose for 47 yards and the final TD of the game.

West Virginia's unbeaten Mountaineers invaded Washington to register their fourth straight triumph, 27-6, over George Washington in a Friday night Southern Conference contest at Griffith Stadium.

The Mountaineers struck with lightning-like quickness in the opening period. Freddy Wyant found Jack Stone with a 54-yard scoring pass within the first minute. Seconds later Carl Norman intercepted a G.W. aerial to run 20 yards for a 13-0 lead.

The Colonials defense held gamely the remainder of the first half, although WVU made several threats.

The Mountaineers, who had averaged over 300 yards rushing in their first three games, were held to 197 on the ground, but picked up 125 yards on nine pass completions by Fred Wyant and Ted Anderson. Tommy Allman, senior fullback from Charleston, was the outstanding West Virginia runner.

Two WVU drives were halted inside the G.W. 20.

Homecoming was a happy day at Mountaineer Field as West Virginia chalked up its fifth straight win and third in the Southern Conference over out-classed Virginia Military Institute, 52-20.

Jack Stone returned Johnny Mapp's punt 65 yards for the first West Virginia touchdown and Freddy Wyant crashed over from the three to climax a 93-yard Mountaineer drive later in the first quarter.

Ted Anderson, reserve quarterback from Mount Hope, scored the third TD on a seven yard run after Bob Moss had recovered a V.M.I. fumble on the Keydet's 22. Anderson exploded for a 70-yard run to the visitors' five to set the stage for Moss' scoring crack, and then scored on a 40-yard jaunt two minutes later to end the second period scoring.

Joe Marconi took a Wyant pitchout to score from V.M.I.'s 31 early in the third period. Eddie Dugan passed to Dick Nicholson from the WVU 36 for the first fourth quarter score and sophomore Don Wilson blasted over for the last one after Carl Norman's 49-yard kickoff return.

Dave Woolwine scored for V.M.I. in the fourth quarter to climax an 81-yard march. Two successive aerials thrown by Woolwine set up the second V.M.I. score. Gerry McInerney's pass was intercepted by Woolwine on the West Virginia 30 and Woolwine returned it for the last Keydet tally.

Anderson gained 205 yards from scrimmage on nine carries, reeling off sensational runs of 71, 58, and 40 yards. WVU piled up 485 yards rushing and passing.

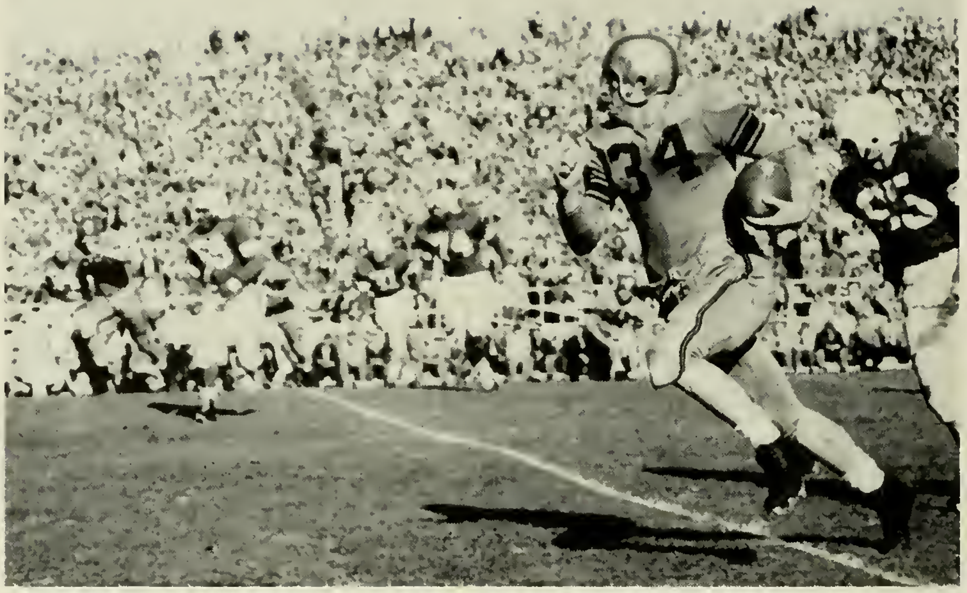
PENN STATE 19



On the first play of the game, Joe Marconi (34) sweeps Penn State's left end for 16 yards before 25,000 fans at State College, Pa.

West Virginia's vaunted running attack was held in check by an inspired Penn State eleven, but the Mountaineers' Tommy Allman and Bruce Bosely teamed up to turn a blocked punt into a narrow 20-19 WVU triumph at State College, Pa.

The victory gave West Virginia the nation's longest major college winning streak at 12 games. It also marked the first time in Mountaineer history that WVU had beaten Penn State and Pitt in one season.

Four plays was all West Virginia needed to take the lead early in the first quarter. Freddy Wyant hit End Bill Marker with a short pass near the sideline and the husky end raced 45 yards for the score. Jack Stone missed the conversion.

Penn State erased the 6-0 Mountaineer lead, with Tony Rados flipping two touchdown passes in the second quarter.

A Penn State punt blocked by Allman and Bosely in the third quarter gave the visiting West Virginians the break they needed to clinch the victory. Bruce Bosely, powerful Mountaineer tackle, quickly recovered the stray pigskin and West Virginia had their third touchdown of the day. Stone's conversion was good and the visitors led 20-12.

Penn State came back with another score in the final period, but the damage had already been done. Stone's fine extra point kicking proved to be the margin of victory.

In the passing department Rados clicked on 16 of 27 passes for 239 yards and Wyant gained 139 yards through the air.

Tommy Allman, 200 pounds of solid fullback, took command of a dire situation and led the Mountaineers to a close 12-7 Southern Conference victory over Virginia Tech at Bluefield, W. Va. The win sealed the conference championship.

The Gobblers led at the half after End Roger Simmons fell on Ted Anderson's fumble on the WVU 10 with a minute left to play. West Virginia failed to score after continually driving into Tech territory.

After Tech had taken the fumble at the 10, Allman intercepted Williams' pass on the goal line, but interference was ruled and the Gobblers got the ball on the one with 18 seconds remaining in the half. Bill Anderson pulled in a TD pass from Williams and Dick Beard kicked the extra point.

West Virginia drove 51 yards to score with a 44-yard pass from Freddy Wyant to Bill Marker highlighting the drive. On the next play, Allman cracked over from the one for the touchdown.

The Mountaineers needed only 10 rushing plays to march for the winning touchdown with Allman crashing the final 43 yards.

West Virginia's perfect 1953 record and the longest winning streak among the nation's major collegiate teams went up in smoke at Mountaineer Field when South Carolina upset the Mountaineers, 20-14. A crowd of 32,000 saw the streak snapped after WVU drove all the way to Carolina's seven in the opening minutes of the game. A pitchout from Fred Wyant to Joe Marconi went astray and Carolina recovered back on the 27.

Blackie Kincaid of Ansted, W. Va. shocked WVU with a 53-yard punt return moments later to reach the three, from where Quarterback Johnny Gramling scored. Jim Jarrett kicked the extra point. S.C. mached 52 yards for a two touchdown lead as Carl Brazell raced 23 yards to the 15 and Gramling scored from the one six plays later.

WVU marched 84 yards for its first touchdown after Stone's great catch of Wyant's 41-yard pass. Allman raced 17 yards before Wyant passed to end Joe Papetti who raced over on a 42-yard play. Stone's kick made it 13-7.

The Gamecocks scored early in the third period on a 44-yard pass play from Gramling to Gene Wilson. Bill Wohrman intercepted Wyant's pass on the Carolina 37 and in eight plays moved the ball to the Mountaineer 44.

Papetti intercepted a Gramling pass late in the third period and raced all the way back to the five. After three line smashes, Marconi plunged over and Stone kicked the point.

The Mountaineers' possible winning effort was axed when Bennett intercepted a pass by Wyant thrown from the South Carolina 18. West Virginia had marched from its 45. A minute remained when Wyant's pass was intercepted.

North Carolina State's Wolfpack bore the brunt of West Virginia's anger at Raleigh, N.C. to bow by a 61-0 count before the hefty Mountaineers' scoring display.

The game, played before 5,800 fans, was the scheduled finale for West Virginia. West Virginia Drove 81 yards in 13 plays, with Tommy Allman scoring from 21 yards out.

The second period found the Mountaineers piling up 27 more points for a 34-0 half-time lead. Guard Frank Federovitch blocked a punt for a safety and the rout was on. Four scores followed quickly as Ted Anderson raced 39 yards, Guard Phil Canton blocked a punt, Danny Williams raced 63 yards and Wyant passed 30 yards to Stone, all for touchdowns.

Bill Jarrett scored from the five early in the third quarter. Allman raced 26 yards minutes later, before Don Wilson plunged over. Joe Marconi scored from 10 yards out to finish the rampage.

N. C. State failed to register a first down in the first half and netted only 11 yards total rushing.

SUGAR BOWL 1954

This year, West Virginia University's football team received one of the highest honors ever granted to a University gridiron squad when they were invited to play in the New Year's Day Sugar Bowl classic in New Orleans, Louisiana.

WVU's opponent in the post season feature was the highly talented Georgia Tech football eleven piloted by Bobby Dodd. The Mountaineers not only met a strong football power in Tech, but last year's Sugar Bowl champion. Tech had been a frequent visitor to the New Orleans classic, winning in 1944 and 1953.

Georgia Tech maintained its perfect record in bowl competition by defeating the Mountaineers 42-19. The Yellow Jackets powerful passing attack was the main factor in the outcome of the game. Art Lewis, West Virginia coach, knew his major threat would be the aerial attack of the Tech team.

Several "bad breaks" ruined the Mountaineer's chances of closing the gap and making the game much closer. A 55-yard run by Fullback Tommy Allman was nullified because of West Virginia backfield motion. Another scoring opportunity failed when Joe Marconi, speedy halfback, dropped a Wyant pass in the Georgia Tech end zone.

The WVU powerful ground attack, for which they were noted, proved very effective against the Tech eleven. The Mountaineer squad made decisive gains on the ground, but fumbles hurt them several times when they were deep in Georgia Tech territory.

The "Mountaineer" Marching Band, 96 strong, provided a fine performance for the football fans at half-time. Under the direction of Lawrence Intravaia, the blue and gold marchers performed several delightful and difficult formations. The excellent maneuvers of the Mountaineer Marching Band were almost overshadowed by the famous snappy cadence, 160 beats per minute, maintained throughout shifts.

Even though the West Virginia squad went down to defeat in the Sugar Bowl, the fine record posted by Art Lewis and his team will not be forgotten. This year's football team is one of which every loyal West Virginian can be proud.

BASEBALL

"Old Man Weather" hurt the WVU baseball team in the 1953 season. Coach Steve Harrick and his squad were rained out eight times during the season. Many of the other games were played under threatening skies, but the University squad managed to play 13 games out of the 21 regularly scheduled games.

The Mountaineer team finished the season with a 6-7 record. Victories were registered over William and Mary, Bethany (2), Richmond, West Virginia Wesleyan and Penn State. The teams handing WVU their seven setbacks were Pitt, George Washington (2), Maryland (2), Penn State and William and Mary.

John Strycula and Chuck Stanley were co-captains of the 1953 baseball squad.

TRACK

Coach Art Smith's trackmen finished the 1953 season with a record of three wins and two defeats. In Southern Conference competition, the Mountaineer thinclads placed eighth. Larry Hunt, WVU's ace shot put and discus hurler, failed to capture the shot put event or beat his University records. Hunt, however, took first place honors in the conference discus event with a 136 feet 10½ inch throw.

The Mountaineer track team opened at home with Maryland and suffered a 99-32 setback. WVU evened their record in the next meet at Athens, Ohio, whipping Ohio University 93½-28½. Art Smith's charges humbled Washington & Lee in the next meet at home by the score of 103-28. Pitt's powerful track squad crushed the Mountaineers in their next outing, 100-31. In their final track meet of the 1953 season, the Mounties turned in a fine performance whipping VMI 84-47. Larry Hunt captured first place honors in the shot put and discus events.

Co-captains for the 1953 track season were Larry Hunt and Arch Fink. Fink tied the University 120 high hurdles record with 15.0 seconds against Washington & Lee. The Wheeling speedster's performance equalled the oldest record in Mountaineer track established in 1930 by Runt Callaway.

CROSS COUNTRY

West Virginia University's cross-country squad climaxed one of its finest seasons in many years by capturing the Southern Conference cross-country meet held at the College of William and Mary this year.

Pacing the Mountaineers was their captain, Dick Thoburn, a junior from Colerain, Ohio, who covered the 4.7 mile course in 25:25.

Coached by Art Smith, a member of the University athletic staff since 1924, the Mountaineer cross-country team compiled a record of six wins and two defeats in regular-season competition and were undefeated against their three Southen Conference foes. Conquests included West Virginia Wesleyan, Richmond, William and Mary, Westminster, VMI and Geneva, while setbacks were received at the hands of Quantico Marines and Pitt.

WRESTLING

WVU's varsity wrestling team, which ended its regular season competition with an unimpressive 5-4 record, walked off with first place honors in the Southern Conference meet at Lexington, Virginia.

Heavyweight John Buchanan's unexpected call to service at the close of the first semester hurt the Mountaineers considerably during the regular season. Coach Steve Harrick's efforts to replace the husky matman finally paid off in the Southern Conference tournament in the form of Joe Kaminski.

Wins were registered against Western Reserve, VPI, North Carolina, Washington & Lee, and a powerful Maryland team that had beaten WVU out of the Southern Conference championship three years in a row. VMI, Purdue, Pitt and Waynesburg handed the University squad defeats during the season.

First row, left to right: William Mills, Herky John, Louis Guidi, Skip Gourley, Bob Perry. Second row: Coach Steve Harrick, Neal Travis, John Hoyt, Frank Craze, Bryce Kramer, Joe Kaminski, Dale Bonnett, John Buchanon, Phil Sampson, Manager.

GOLF

West Virginia University's golf team finished the 1953 campaign with a record of eight wins, four defeats, and one tie.

The Mountaineer linksmen, coached by Ira "Rat" Rodgers, posted wins over Waynesburg (2), Westminster (2), George Washington, Geneva and Washington & Jefferson. The University golfers were defeated by Pitt (2), William & Mary and Washington & Lee. The only tie match of the regular season play was Washington & Jefferson.

Reuben Ward, Buck Barber, Tony Jonhson and Fred Leach competed in the Southern Conference tennis tourney held at Davidson, South Carolina.

TENNIS

Coach Robert "Red" Brown's varsity netmen ended their 1953 schedule with a record of five wins and six losses.

The University tennis team registered wins over Washington & Jefferson (2), Westminster (2), and Fairmont College. The netmen were handed setbacks by Ohio University, William & Mary, Richmond, VMI and Pitt (2).

First row, left to right: Billy Dove, Ira Lilly, Bill Barsall. Second row: Gerald Spellman, Robert Gluck, William Solley, Larry Pelliccione.

GYM

The varsity gymnastics team ended its first year of formal competition with a 2-3 record. The WVU team, coached by William Bonsall, former Penn State star, opened the season with a home match against Ohio State losing 52½-43½. North Carolina was the next Mountaineer foe and they handed the University squad is second straight loss of the early season. The Mounties defeated Pitt two times in a row to even their slate. In the home finale, the University squad was whipped by Penn State College's national gymnastic champions 63-33.

Coach Bonsall is grooming several freshmen for varsity action next year. Bill Solley, Philadelphia, Pa., sophomore and leading Mountaineer scorer for the season, will bolster the team next season.

SWIMMING

The newly organized West Virginia University swimming team ended its first season with a winless record. Although they were defeated in every competitive meet, the Mountaineer swimmers were impressive in several events, such as diving and the 400 yard free style.

Teams that defeated WVU during the swimming season were Washington & Jefferson, VMI, VPI, Pitt and Carnegie Tech.

Coach Paul Wheeler is confident of continued improvement in the varsity swimming squad. The team will be bolstered next year by several swimmers from the freshmen squad which posted a 2-1 record this year.

First row, left to right: Ed Lowe, Tom Elcan, Bill Teders, Bob Congleton, Greg Ault, Bill Nolan. Second row: Ben Turner, Jack Front, Gene Emch, Denny Saunders, Stan Jeranko, Bud LaFollete, Coach Paul Wheeler.

RIFLE

The University varsity rifle team presently holds an 8-1 record in competition for the 1954 season.

Coached by Captain Kendrick B. Barlow, Assistant Professor of Military Science and Tactics, the Mountaineer riflemen registered victories over Washington & Jefferson (2), Duquesne (2), Pitt, Carnegie Tech, VMI and Potomac State. VPI has been the only foe that has defeated the WVU riflemen.

The Mountaineer sharpshooters are leading the Greater Pittsburgh Area League with six wins and no defeats. The rifle team also captured the William Randolph Hearst trophy this year. This year's team is the first to win the trophy since 1939.

The WVU squad finished fourth in the Ohio State Tournament this year. Of the 17 teams competing in the tournament, West Virginia defeaed University of Kentucky, University of Indiana, Dayton, John Carroll, and host team Ohio State. Setbacks came at the hands of Illinois and Tennessee (tournament champions).

Howard Summers, Mountaineer rifleman, leads in the individual scoring for the 1954 season. Summers posted a 289 score out of a possible 300 in one match this year.

HOMECOMING WEEKEND

DONALD H. HOFFMAN
Coordinator

The 1953 Homecoming Weekend welcomed alumni from all parts of the state in the true Mountaineer spirit.

After a two-year lapse in the traditional activities of the weekend, this year's Homecoming revived such attractions as the torchlight parade and the alumni breakfast.

The parade featured 23 colorful floats entered by campus organizations and eight bands including the Mountaineer Marching Band and nearby high school bands.

The "Beat V.M.I. Thuse" was held on the old athletic field after the parade to inspire old and new spirit in the Mountaineer team and fans.

Halftime activities at the game were highlighted by the novel formations of the marching band and the crowning of the Homecoming queen and presentation of rose bouquets to her court.

The Homecoming dance at Mountainlair was the finale to the weekend that will long be remembered by the visiting alumni and students.

MOUNTAINEER WEEKEND

DONALD H. DOUGLAS
Coordinator

Mountaineer Weekend had its founding in 1948 by two University students, Arch Moore and Stan Friedman. Since this first experimental weekend, it has grown into one of the most highly anticipated highlights of fall festivities for it is truly the students' weekend.

On Wednesday evening, November 11, the Mountaineer Queen, attendants, and freshmen princesses were elected by a student election after a fashion show held at Mountainlair. Selected from a field of candidates to reign as Queen was Eleanor Ellis. Her attendants were Anne Burgher and Barbara Cunningham, and the two freshmen princesses were Mary Dixon and Shirley Crane.

One of the bigger events of the weekend was the Mountaineer Parade held Friday evening, November 13, at 6 P.M. The parade consisted of 23 floats from campus organizations and two city and county bands. The parade was led by an antique car procession carrying city and campus dignitaries. The guest of honor was Mr. Harry "Has 'Em" Goldsmith who presented the annual Harry Goldsmith traveling trophy to the over-all winner of the parade, Delta Gamma Sorority.

After the parade, a "Beat South Carolina" thuse was held on the old Athletic Field. Mr. Robert Black of the Agricultural Department was the main speaker and members of the football team and coaching staff were introduced to an attending crowd of 2,000 people. At the conclusion of the thuse an all-campus Mountaineer dance was held at Mountainlair where the theme was carried out with traditional Mountaineer dress and customs.

On Saturday morning cider and doughnuts were given away in front of Elizabeth Moore Hall to the delight of students and visiting alumni. An atmosphere of mountain music was provided by a jug band.

The main event of the weekend came at 1:30 Saturday with the West Virginia-South Carolina football game. During the half-time, Mr. Ned Smith, Editor of the Fairmont Times, presented the Queen and her court.

Later in the evening the University Sets and Steps Club sponsored a fold party at Mountainlair thus closing the Weekend in traditional Mountaineer fashion.

FRANCIS PICKENS MILLER

Convocation Speaker

One of the many discussion groups held during the annual "Life Week" meets on the theme of "How Practical Are Principles?"

LIFE WEEK

"Not all principles are practical," Francis Pickens Miller told audiences at the 1954 Life Week. "They are practical and good only when they are an expression of a true inner faith; they have no lasting value as they are merely an expression of conventional whims."

Life Week began five years ago at West Virginia as Family Life Week, and was planned and carried out predominantly by faculty. In succeeding years it has evolved into a student planned and executed event, and has covered the topics "Dating, Courtship and Marriage," "Maturity," and "Building a Better Understanding."

This year the committee decided it was high time we looked into the question "How Practical Are Principles?" The theme, questioning to what extent standards of conduct should govern everyday affairs, examined the delicate balance and frequent clash between ideals and expediency.

"How Practical Are Principles—in the classroom, in personal relations, in campus activities, and on the job?" were topics for discussion in four seminars led by Mr. Miller, noted author, religious leader and war-time aide to General Eisenhower.

WITH OWENS-ILLINOIS GLASS COMPANY

Ours is a growing company—and we can grow together in fields where a man has ample opportunity and room to carve out a satisfying life-time career.

We offer you stability that is inherent in the business of manufacturing and distributing a variety of goods, continually being broadened by the development of new products reaching new markets.

You can enjoy the advantages that come from association with a company which is outstanding in reputation and prestige in its field.

You can benefit from a training program that has proved its worth to a large number of young men during the past several years as we have expanded our operations.

You can have the security to be found in an organization where men stay and grow with a growing company, where there are liberal life and health insurance plans, and solidly established retirement plans.

THE OWENS-ILLINOIS GLASS COMPANY LINES INCLUDE:
Glass containers for foods, beverages, medicines, cosmetics, household chemicals; . . . closures, corrugated cartons, wood boxes, table glassware, laboratory glassware, glass block and insulating materials, television bulbs, electrical insulators, custom molded plastics.

We are interested in qualified young men with either technical or non-technical backgrounds for training in sales, production management or general engineering. We invite those interested to write directly to:

Reddy *Salutes the* Class *of* 1954

Reddy Kilowatt is proud to salute the members of West Virginia University's 1954 graduating class. It is the young people, like yourselves, who help to make all West Virginians mindful of their heritage. Today, West Virginia needs spirited and determined youth to help make better communities; better government; and a better way of life for all. West Virginia University graduates of today will become our state's Leaders of Tomorrow.
